

## POINTS FOR POSTERS AND DISTRIBUTION (edited)

1. *The spirit of “Vasudhaiva Kutumbakum” or the whole world is a family is embedded in Indian democracy. Is the heritage of India’s multi-cultural, multi-religious, multiracial multilingual diversity as well as its inclusive secularism being endangered?*
2. *How should the artistic synergetic strand of India’s great civilization that binds people together as one family be preserved?*
3. *While the Swacch Bharat, the Clean Ganga project, the Aadhaar card project and the Jan Dhan Yojana need to be supported by the young and old alike should we also support mega projects that have adverse consequences on the environment and the poor?*
4. *Do poverty alleviation policies need to be concretized and implemented and given top priority?*
5. *Should the scientific temper that has taken India to tremendous heights be safe-guarded and retained?*
6. *While “Sabka saath sabka vikas”; “inclusive development”, and “no discrimination against anyone on the grounds of religion, language, gender or caste” are excellent for Nation-Building how do make them a reality?*
7. *Should there be a law to abolish hate speeches?*
8. *How can we overcome communal prejudice, stereotyping and racism?*
9. *How can we halt love jihad, honor killings, all forms of violence against women ?*
10. *How can Media succeed in the historic task of attempting to overcome communalism, religious conflict, and intolerance?*
11. *India is the cradle of civilization. In our great country movements like the Bhakti and Sufi traditions bound people in a close spiritual partnership. How can these cherished ideals be preserved and proliferated?*
